AGSB is committed to providing a U.S. based education with a strong international component. AGSB offers graduate and undergraduate university programs leading to the degrees of: Master of International Business Administration (International MBA), Bachelor of Science in Business Administration (dual concentration in Management and Marketing) and an Associate Degree in International Hospitality Management (as an International Partner Institution with the School of Hospitality, Georgia State University, U.S.A.). In addition, the certificate program of Graduate Business Studies (pre-MBA) is an alternative option for individuals who prefer university-level training in the functional areas of business, such as accounting, economics, finance, and human resource management. Moreover, for those professionals in a managerial position, AGSB has Fundamentals of Business Management designed for mid-to-upper level managers in diverse fields of industry. Transfer possibilities to U.S. universities is also a viable option.

English as a Foreign Language (EFL) program is provided for students whose English is in need of improvement.

Admissions: August, January.
